- Buckle Up Please!
- Use the handrail when getting on or off the bus ~ **3 point contact**.
- The first two seats, on each side behind the driver will be free of overhead lighting and the use of electronic devices. This is to help prevent distraction to the drivers.
- Disembarking passengers must walk to the nearest corner or walkway *before* crossing the street. *Do not cross in front of a bus at any time.* Wait until the bus has moved away.
- When walking in the aisle, *please carry your briefcase or bag in front of you* and not over your shoulder to prevent injury to fellow passengers.

- PLEASE – keep cell phone conversations short and quiet.
- Keep ALL conversations to a minimum.
- The use of electronic devices (Music or Video Devices) is allowed with headsets and the volume should be minimal.
- Keep seats in an upright position while passengers are getting on or off the bus. If you recline the seat back, be sure to do it gently, thus preventing injury to the passenger behind you.
